Iga Spodzieja

Software Developer

Creative, detail-oriented software developer with a deep interest in automation. Experienced in creating and implementing successful front end applications. Looking to bring my skills to a tech company that prioritizes innovative solutions.

EXPERIENCE

Software Engineer at 100devs, Los Angeles, CA
July 2023 — Present

- Collaborated with a team of developers to build modern and responsive web applications using best practices.
- Built semantically structured front end web applications.

Recent Projects:

Cosmo Caleb Cosmetology Portfolio Website, Frog Princess Picker, Columbidae Sounds App

Front End Web Developer at Iga Spodzieja's Consulting
January 2019 — Present

- Created front end web applications and static websites for different clients across small and medium size businesses.
- Consulted on SEO and social media strategy.

Recent clients:

Akcja dla Dzikich Zwierząt Wildlife Rehabilitation Center

Zakaz Kolców Social Campaign

Freelance 3D Blender Artist at ZenoLithic
January 2024 — Present

- Created custom 3D-printable Earth and Space Ship models for an engineering company.
- Delivered rigged, animated and game-ready characters for private customers.

VOLUNTEERING

Akcja dla Dzikich Zwierząt Wildlife Rehabilitation Center
October 2019 — Present

- Assisted in treatment, rehabilitation and release of wild animals.
- Conveyed expertise regarding specific avian species.
